

# Pass it on...

## Five Key Reasons to Use the Described and Captioned Media Program

- A collection of free, on-demand accessible educational media
- Provision of the highest quality descriptions and captions on all media
- Information about educational media access
- One-of-a-kind guidelines for creating descriptions and captions
- Advocacy regarding media access issues

The DCMP benefits students who are blind, visually impaired, deaf, hard of hearing, or deaf-blind.
