

Growing Time

Spring is a time of rebirth and growth. Celebrate the season with accessible media. DCMP has titles on gardening, ecology, conservation, and much, much more.

Eco=Kids Explore: Wind Power

Wind is a natural resource that humans have been harnessing for 2,000 years.

The Gardener

Based on the book by Sarah Stewart.

This is Emily Yeung: At the Farm

The six-year-old host investigates life on a farm.

Eco=Kids: Things You Can Do

Reducing wasteful use of energy can promote “green power.”

Hands On: Energy Wise

Looks at successful enterprises that are providing some renewable energy solutions.

Flowers

Flowers are raised commercially on farms.
