Switzerland
Beyond Our Borders Series

Subject Areas: Geography, Social Studies, History, Architecture

Synopsis: Focusing on Switzerland's geographical position at the center of Europe, details the French, German and Italian influences in this remarkably stable nation. Once the scene of hundreds of years of invasions, Switzerland is shown as a country of majestic mountains, lakes and rivers that form a background to some of the oldest cities in Europe. Visits Zurich, Schaffhausen, Lucerne, Interlaken, Grindelwald, Bern, Murten, Avenches, Basel, Neuchatel, Lausanne, Geneva, Montreux, Zermatt, Lugano and Locarno reviewing the history, economy and social fabric of each area.

Learning Objectives:

- Objective 1)** Students will be able to describe the distinctive geographical and cultural regions of Switzerland.
- Objective 2)** Students will be able to recognize that Switzerland is a neutral country whose people still are ready to defend their country against any invaders.
- Objective 3)** Students will be able to explain why several international organizations have their headquarters in Geneva, Switzerland.
- Objective 4)** Students will be able to explain how Switzerland's unique geography has influenced cultural, economic and political institutions.

Vocabulary:

neutral republic, neutrality, Alpine, diverse cultures, Romansch, Confederation Helvetica, Romanesque, edelweiss, cantons, ramparts, aerial railway, yodelers, federal assembly, Swiss Confederation, Mediterranean culture, Provolone cheese, chateau
