

## ***Student Activity***

### **The Earth Wakes Up**

#### **Moko**

#### **Vocabulary:**

Earthquake, tectonic plates, fault, epicenter, Richter scale, seismic

#### **Pre-Viewing Discussion:**

Have you ever been in an earthquake? What was that like?

What do you think the earth is made of?

#### **Post-Viewing Discussion:**

Why was the fisherman not scared when Moko and Mei-Lei were so frightened?

What causes an earthquake?

#### **Further Activities:**

Look into recent earthquakes of varying strength and report on the damage they can cause.
