

## ***Student Activity***

### **The Hill of Fire** **Moko**

#### **Vocabulary:**

Lightning, thunderstorm, precipitation, weather, climate, cumulonimbus

#### **Pre-Viewing Discussion:**

Have you ever been in a bad thunderstorm? What was that like?

Why can storms be dangerous?

#### **Post-Viewing Discussion:**

How did Moko think the man knew what would happen? How did the man say he knew?

What causes a thunderstorm?

#### **Further Activities:**

Study recent storms that have impacted areas around you. Find out what causes these storms and what you can do to protect yourself in these situations.
