

Student Activity

The Land of White Moko

Vocabulary:

snow, weather, cold, clouds, precipitation, origin story, folktale

Pre-Viewing Discussion:

Where do you think snow comes from?

What does snow look and feel like?

Post-Viewing Discussion:

What did Moko think the purpose was of the “white powder”? Where did the footsteps lead him?

What conditions are necessary for the formation of snow?

Further Activities:

What are your favorite stories about winter and snow? Bring in at least two examples to share with the class.

If possible, go outside and examine snow. Record your observations and bring them back to compare with your classmates.
