

## ***Student Activity***

### **The Missing Sun** **Moko**

#### **Vocabulary:**

Sun, moon, earth, eclipse, phases of the moon, solar, lunar

#### **Pre-Viewing Discussion:**

Have you ever seen an eclipse? What was it like?

Do you think older people know more than younger people? Why?

#### **Post-Viewing Discussion:**

How did the villagers react to the eclipse?

What causes an eclipse?

#### **Further Activities:**

Find pictures of recent eclipses. Create a collage of these images and write descriptions of each.
