

Student Activity

The Other End of the World

Moko

Vocabulary:

Ocean, tornado, storm, weather, climate

Pre-Viewing Discussion:

Have you ever been in a tornado? What was that like?

Can you imagine taking off on your own to explore the world? How do you think you would feel?

Post-Viewing Discussion:

Why did Moko want to find the end of the world? What did the old man want him to promise?

How do tornados form?

Further Activities:

Imagine you are about to embark on a worldwide journey. Write a story about how you would feel about leaving and what you would hope to experience.
