

Student Activity

The Sea of Ice **Moko**

Vocabulary:

Ice, Winter, Freezing, Celsius, Temperature

Pre-Viewing Discussion:

Do you ever put ice in your water? How do you think the ice affects your glass of water?

Post-Viewing Discussion:

Why did Moko's boat stop moving? Why did ice form around his boat?

What causes sea ice to form? How is it different from the ice you put in your drinks?

Further Activities:

Bring in an ice cube tray and fill it with water. How long does it take for the water to freeze? How cold does it have to be?

Learn more about Polar Bears and how they rely on sea ice for survival.
