

## ***Student Activity***

### **Tears from Tall Trees**

**Moko**

#### **Vocabulary:**

Forest, tropical forest, humidity, trade winds, precipitation, weather, climate

#### **Pre-Viewing Discussion:**

Have you ever been to a greenhouse? What is it like there?

What do you know about forests?

#### **Post-Viewing Discussion:**

Why was Mei-Lei sad? What made her happy?

Why are forests humid? Where does that humidity come from?

#### **Further Activities:**

Imagine a reason that trees might cry. Write a story explaining this phenomenon.
