

## **INTRODUCTION**

This guide is designed for teachers to use with the video program **Science Video Vocab: Carnivore**. Viewers will learn all about the word carnivore through video, photographs, graphics and animation. The questions and activities suggested in this guide will help you to assess your students' comprehension of the subject matter.

## **LEARNING OBJECTIVES**

Students will be able to define the word carnivore  
Students will be able to pronounce and use carnivore appropriately  
Students will understand the word carnivore as well as related concepts and principles  
Students will be able to identify carnivores

## **QUESTIONS**

What is a carnivore?  
List examples of carnivores.  
What are some of the characteristics of carnivores?  
True or False: Humans are carnivores.

## **CHALLENGE QUESTION**

What physical characteristics do animals need to have to be a successful carnivore?

## **CLASSROOM OR INDIVIDUAL ACTIVITIES**

Have your students create an imaginary carnivore showing at least characteristics of carnivores they learned about today. Tell your students to think like scientists and write down why those characteristics are important to the carnivore.
